CLUB INFORMATION

The Rotary Club of Crystal-New Hope- Robbinsdale is proud to sponsor the 2018 Elmer's Rotary Golf Classic, an event founded by the late Elmer Hartwig in 1975. Since that time, community participation has made it possible for our club to support initiatives that benefit youth, families and communities - both local and global.

PAINTING CLASS

This year we have something for the non-golfers. It doesn't matter whether you are an aspiring artist or not. This class is a no stress way to learn to paint. A professional artist will lead you step-by-step through the painting. Each artist is provided a 16 x 20 canvas, acrylic paints, and all supplies needed to create a one of a kind masterpiece to take home at the end of the day.

Listed below are just a few of the efforts our club supports:

PRISM (People Responding In Social Ministry)

Walking alongside families providing support-based programs that encourage self-sufficiency.

TREE HOUSE

Offering hope and guidance to hurting teens, alumni, and parents during difficult times.

NEW HOPE YMCA

Serving critical needs in our communities through programs in childcare, youth development, school success, fitness and more.

ADAPTED ATHLETICS

Providing financial support to the Robins Adapted Athletic Blue (C.I.) Teams. These teams are for students with cognitive impairments. The Robins are a high school varsity team that play seasons in Adapted Soccer (Fall) and Adapted Hockey (Winter) and Adapted Softball (Spring) indoors each year. Our team covers students in grade 7-12 from the Robbinsdale, Hopkins, Mound-Westonka, and St. Louis Park school districts.

FUTURE ROOTS

Supporting educational needs across the Americas. Future Roots is an international project sharing educational and artistic opportunities with impoverished communities and teachers in Nicaragua.

STRIVE (Seeking To Recognize Individual Visions of Excellence)

Supporting local high school seniors who have faced some academic challenges but want to make the most of their last year of high school.

THE FOOD GROUP

Dedicated to serving the hunger needs of our changing communities by focusing on innovative partnerships and programs to effectively fill gaps in the service of hunger relief.
