OFF CYCLE INVOICE

In order to resolve some issues we were having with cash payments for breakfast, the Board has requested that all members be invoiced for breakfast costs for August and September. The invoice will be for \$128 (8 meetings x \$16/breakfast). If you do not plan on attending meetings in person feel free to disregard this invoice. Please refer questions to Paul Rueschhoff.

**August 6 Meeting: Hereford House 7:15am
Guest Speaker Faron Bar District Governor**

Dear family Luiza's exchange is over. The life experience, the learning of the integration culture of the people and the maturity that Luiza gained was due to your help and energy. We know it was a difficult, tiring and noble task. We are very grateful for the love, affection, patience and the time you gave her. We apologize for the mistakes and failures that she made. You have marked her life forever. You will be remembered in the photos and in her heart as special family and friends. Thank you very much for everything. We are forever grateful. You can feel embraced and admired. We wish peace, success, health and God bless everyone. Thanks to the Rotary club and the United States of America for the opportunity. The mission was accomplished.
