## The Definition of Rotary

“Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build peace and goodwill in the world.”

## The Mission of Rotary

**Rotary’s** primary mission is service. In the community, in the workplace, and throughout the world.

**Rotarians** build goodwill and peace, undertake humanitarian endeavors, and encourage high ethical standards in all vocations, demonstrated by their actions.

**Rotarians** develop community service projects that address many of today’s most critical issues, such as children at risk, poverty and hunger, the environment, literacy, and water.

**Rotary’s Motto:** “*Service Above Self*” & “*They Profit Most Who Serve Best*”

## The Rotary Foundation

The Rotary Foundation is our charity, a not-for Profit Corporation that promotes world understanding through international humanitarian service programs and educational and cultural exchanges. It is supported solely by voluntary contributions from Rotarians and others who share its vision of a better world.

## **The Object of Rotary**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

*First...* The development of acquaintanceship as an opportunity of service;

*Second...* High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

*Third...* The application of the ideal of service in each Rotarian's personal, business, and community life; and

*Fourth...* The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## **The Four-Way Test**

The following 24-word test created in 1932 by Rotarian Herbert J. Taylor for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers. It was adopted by Rotary in 1943.

“Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?”

# **SERVICE**

## **Five Avenues of Service**

Based on the Object of Rotary, the Five Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

- Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the Club.
- Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards.
- Community Service** covers the projects and activities the Club undertakes to improve life in its community.
- International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.
- New Generations Service** recognizes the positive change implemented by youth and young adults through leadership development activities, service projects, and exchange programs.

## **Obligations of Service**

Rotary is a service organization, & each member is expected:

- To participate in Rotary projects.
- To serve willingly on one or more committees.
- To attend Rotary District meetings such as

Assemblies, Conferences, Seminars, etc., if at all possible.
