

2024-2025 Donation Request

The Rotary Club of DeLand has limited grant funding available to local non-profit organizations that provide a significant level of service in the greater DeLand area. This year's fundraisers were our Florida in February BBQ Event, Bowling for Literacy, and Golf Tournament. In addition to these, we have many service projects for which need volunteers in addition to our Rotarians. On page 2, please note the fundraisers and projects you will support. The application deadline is April 1, 2024, and all applications must be made in the name of a non-profit organization (no individuals) and must be sponsored by a member of the Rotary Club DeLand. Incomplete or late applications will **NOT** be considered.

The Rotary Club of DeLand will fund programs which provide services to our community's citizens with the following areas of focus: (1) emergency assistance (2) improving health and education (3) strengthening individuals and families (4) youth development and (5) enhancement of the cultural and historical foundation of our community.
