E. T. AND VAM YORK SERVICE ABOVE SELF AWARD

SPONSORED BY
THE ROTARY CLUB OF GAINESVILLE

To express their appreciation for the support provided by Alachua County Rotarians during Dr. E.T. York's tenure as District 6970 Governor, the late Dr. E. T. York and his wife Vam provided an endowment to fund in perpetuity the Rotary Club of Gainesville Service Above Self Award. In 2010 the award was renamed after its benefactors. Presented annually, this distinguished award symbolizes Rotary's commitment to service and the desire of the Rotary Club of Gainesville to encourage and recognize service to others in our community. The award takes its name from the Rotary motto "Service Above Self."

The recipient will be an individual or organization from the Gainesville/Alachua County area that has rendered outstanding, dedicated and unselfish service to enhance the quality of life of the citizens and youth of our area. The award is based on achievement during any appropriate time span - a year, or a lifetime. The award may be made in the memory of an individual.

What is the award?

- A \$1,000 gift to The Rotary Foundation, for support of international scholars, in honor of the recipient;
- Designation of the recipient as a Paul Harris Fellow of The Rotary Foundation. (In the event the recipient is an organization, or is an individual who is already a Paul Harris Fellow, the recipient may nominate another individual to receive the Paul Harris Fellowship, subject to approval of the Club's Board of Directors.)
- A special plaque presented to the recipient, with name and date of recognition;
- The inscription of the recipient's name on a permanent plaque containing the names of all previous recipients. (This plaque is displayed prominently at the Gainesville airport terminal.)

The deadline for accepting nominations is Friday, October 28, 2016.

An individual, organization or group may submit as many entries as desired. Entries must be typed or printed. Deadline for nomination is Friday, October 28, 2016.
