Dear Rotarians,

In 2022 you helped us get coats for the children of My Joyful Heart through a company called Warm Coats, Cool Kids and we wanted to send over just a few of the many thank you letters that we received about the Warm Coats. The children were so appreciative, and they loved the quality. We are so very thankful for your support and generosity and time. We hope that we can continue to benefit from their help and look forward to working with you all again this year!

We have sent a copy of the children's thank you letters to Warm Coats, Cool Kids but wanted you to see them too.

Wishing you all a healthy and blessed 2023.

For the children we serve,

Erin Burns
Director of Operations
