## THE LIFE YOU WANT!

What is your Superpower?

No matter who you are, what you do, or how far you've already come, you have been tapped by a force greater than yourself to step into your calling. The work of your life is to figure out this calling. It takes time and effort, a willingness to get it wrong, and the energy to keep going until it feels right. So rather than depleting yourself with judgments about what you have not accomplished or not good at, redirect that energy toward the next big push - the one that takes you from making a living to making a life.

This means identifying that unique combination of intelligence, talent, and ambition that makes up your very best self. Your skills and talents are not necessarily what you do to earn a living, or attention, or success.

Your Superpower should come out of your being: your strengths! Find your strengths, things you enjoy doing! This is how we can make impact and change lives in our Rotary journey. **SERVICE ABOVE SELF!**

As we step into Spring and as **PEOPLE OF ACTION**, let us think of new ways to make a difference in our community and our world!

Shine your light and Create Hope in the World!
