CLUB INFORMATION

The Rotary Club of Crystal - New Hope - Robbinsdale is proud to sponsor the 2025 Golf Classic, an event founded by the late Elmer Hartwig in 1975. Since that time, community participation has made it possible for our club to support initiatives that benefit youth, families and communities - both local and global families.

Listed below are just a few of the efforts our club supports:

PRISM (People Responding In Social Ministry)

Walking alongside families providing support-based programs that encourage self-sufficiency.

TREE HOUSE

Offering hope and guidance to hurting teens, alumni, and parents during difficult times.

FISHING FOR LIFE

Is an organization that conducts hands-on fishing events, other outdoor events, and mentoring programs to impact the lives of at-risk youth and families in the Twin Cities and surrounding area.

ADAPTED ATHLETICS

Providing financial support to the Robins Adapted Athletic Blue (C.I.) Teams. These teams are for students with cognitive impairments. The Robins are a high school varsity team that play seasons in Adapted Soccer (Fall) and Adapted Hockey (Winter) and Adapted Softball (Spring) indoors each year. Our team covers students in grade 7-12 from the Robbinsdale, Hopkins, Mound-Westonka, and St. Louis Park school districts.

FUTURE ROOTS

Supporting educational needs across the Americas. Future Roots is an international project sharing educational and artistic opportunities with impoverished communities and teachers in Nicaragua.

NW YMCA

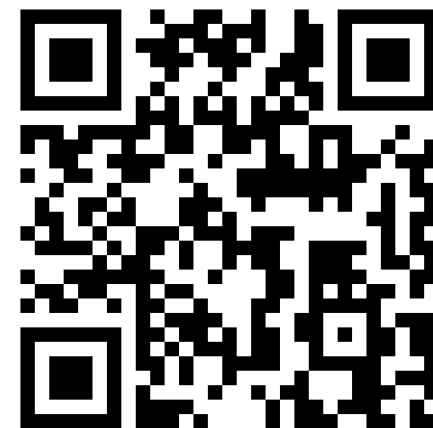

An organization focusing on developing the total person; body, mind and spirit with health enhancement programs and community services.
