Welcome, guests! We're honored you chose to visit our club. **At 3 Squares Restaurant**

The Rotary Club of Maple Grove is a group of professionals who volunteer service to our schools, the community and the world. Our meetings are lively and reflect the friendship and shared purpose of our members. So you can actively participate, here's what to expect:

- Networking and breakfast – 6:45 AM
- Song
- Pledge of Allegiance
- Rotary Four-Way Test—our code of ethics that defines what we should think, say or do:
 1. Is it the truth?
 2. Is it fair to all concerned?
 3. Will it build good will and better friendships?
 4. Will it be beneficial to all concerned?
- Invocation
- Introductions—Rotarians introduce themselves and share their professional classification; a Rotarian will introduce you so we can all get to know you better.
- Fines—This is the one part of our meeting that is targeted to club members, where we assess fun fines, followed by voluntary “happy fines.” The funds go toward selected projects
- Speaker
- Meeting Ends at 8:00 AM

Vocational Service - Rotary International's Theme of the Month

Per our by-laws, our Vocational Service members are “pledged to formulate and implement plans which will guide and assist members in discharging their responsibilities for their vocations which requires high ethical standards.” Additionally, the Vocational Service members are to encourage fellow members to improve the general standards of practice within their vocations. To that end our Vocational Service Committee does that by facilitating twice monthly Classification Talks, whereby members are able to share in-depth insights into their profession, changes to the profession, new developments and what enthuses the member about their career. We also have had outside presenters talk about their professions, especially the ethical issues. Occasionally, we will have off-site meetings that can inform members about other professions and indirectly promote Rotary. We also conduct a Business Ethics and Leadership Award that is promoted to the community and is awarded to a non-member in the fall of the year. Additionally, this year the committee is awarding a scholarship to a deserving student in order to attend Eagle U. This is a one week seminar designed to help a student apply and succeed through goal setting and focusing on those goals at a college or university. Thank Jeff Berg for heading up this committee and all of those that support the committee.

RCMG President, 2018-'19
