*Dear Rotarians,*

*Maple Grove Rotarians are the best. I want express my personal thanks to all of you for your friendship and support following the loss of my sister Terri in January. I am blessed to have you in my life and very grateful. Ironically, leading the weekly Rotary meetings was good therapy because it gave me a greater sense of purpose beyond the drama in my life.*

*As Rotarians, our normal activity is focused on helping people outside our club. So, when we find out one of our fellow Rotarians is having a tough patch in life, lets all go out of our way to help them in any way we can. That is the power of Rotary and why we have a club.*

*At our Club Assembly meeting a few weeks ago, each of the Committee members briefly described the plethora of projects they are working on. As always, you can pick and choose which activities "Float your Boat" and get involved. It never ceases to amaze me just how many things our little club provides to the world. As 2025 progresses, let us continue to have fun helping make the world a better place.*

*Sincerely,*

*David Barr  
The Grand Poohba*
