## Happy 4<sup>th</sup> – Let's celebrate America!

As my Rotary presidential year now begins, I am excited to have this responsibility. Mainly because we have one of the best clubs around. We do more projects than most clubs and our membership is growing. So all we have to do is more of what we do so well. Having said that, my 2024 / 2025 focus areas and goals for our club will be:

- **Developing our membership**
  - Engaging existing and new members in our committees and projects.
  - Growing our membership through promoting what we do at events and on social media.
  - Making the Grooves and Foods concerts a membership success.
  - Attract more members who are not "retired white guys" like me.
- **Fundraising alternatives to the Gala**
  - Making the Twins game fundraiser a success.
  - Working to make the Grooves and Foods concerts make money.
  - Supporting BRI to get corporate sponsors.
  - Making the fall Gala a fun and enjoyable thinning of our wallets.
- **ESRAG**
  - Building the "Rotary" pollinator garden in Central Park.
  - Continuation of the current projects.
  - Increase visibility of our activity.
  - Develop local awareness that Rotary is helping save our environment.
- **Think BIG**
  - Leverage the Rotary Foundation and grants to fund a really big, possibly multi year project. (ideas welcome)
  - Grow our membership to over 100 so we have "worker bees"
  - Find a regular meeting place that we can grow into. (for free is the "big" part of that goal)
