

Financial Responsibility

I, _____, hereby submit my application for membership in the Rotary Club of Denver Southeast. I acknowledge that I have received, read, and accept the terms set forth in the Annual Dues, Fees, and Charitable Giving Expectations Fact Sheet provided to me. I understand that as part of my membership I am making a financial commitment to the Club in the form of **quarterly membership dues** (currently \$275 per quarter). I also recognize suggested **quarterly contributions to the DSE Foundation** and to **Rotary International**. In addition to the DSE club membership dues, I authorize DSE to bill my credit card

per quarter as a contribution to the DSE Foundation . As part of this application process, I am providing my credit card information so that the membership dues and any other contributions and donations I choose to make can be automatically billed to my credit card. I understand that I can receive a receipt for any and all fees, dues, and contributions I make for my records. Upon approval of my membership application and upon induction to the club, I authorize the Rotary Club of Denver Southeast to begin billing my credit card for the above fees, dues, and contributions and for any social functions I choose to attend and other donations I choose to make. This authorization is valid for as long as I am a member of the club, or until revoked in writing and thereafter to collect charges outstanding as of the date of resignation or revocation.

Rotary International Foundation Rotarians are strongly encouraged to contribute at least \$100 annually to the Rotary International Foundation. This is not collected through the club, but is sent through Rotary Direct, which you set up through that web site. **Please go to Rotary.org/myrotary** and click on the GIVE link. Our contributions to the Rotary Foundation also come back to us in the form of grants for our projects.

Thank You
