

Thank you one and all for a grand season. Mentor and Painesville Rotarians wish to honor and recognize all those (players, crew, directors, volunteers, parents and audiences) who helped make this a successful and enjoyable season. We look forward to the 2006—2007 school year and another season of spectacular productions.

Please join us again next year. Mark your calendars for the thirty-second annual Rotary Drama Awards on May 15, 2007.

ROTARY DRAMA AWARDS PROGRAM

The Rotary Drama Awards Program is the brainchild of Painesville Rotarian Robert Tischer who believed that students who participate in school theater productions should receive recognition similar to the that bestowed upon students who participated in athletics. Students of drama are no less talented, and give much of themselves and their time. The dedication and efforts of these students are worthy of a night of recognition. This Drama Awards Program and tonight's ceremony is our opportunity to congratulate and honor these students.

This evening is a culmination of many months of hard work and high hopes. Lake County is truly fortunate to have such talented and creative students, and such dedicated Directors, encouraged by teachers, parents, and others who support the Drama Programs in our schools.

AND OUR SPECIAL THANKS GO TO . . .

The Drama Awards Chairpersons would like to thank all those Rotarians and their spouses who took time out of their busy schedules to attend the productions and evaluate the performances. Thanks to one and all.

We would like to once again extend our thanks to our Master of Ceremonies, Mr. Lou Falk, from the Painesville Rotary. Mr. Falk always makes the ceremony something very special.

We would also like to thank Ms. Laura Owens & her staff at Lakeland Community College for their help and hospitality.

And finally we would like to thank the Stage Crew from Lake Catholic High School for acting as our "designated stage crew" for the evening.
