

Farmington Rotary Club

2020-2021

Goals

My goals as President of Farmington Rotary are as follows:

- Continue to maintain the club in the spirit of Fellowship, Service Above Self and Goodwill as those that have served before me have done. Integrate “Rotary Opens Opportunities” within Farmington Rotary.
- Continue our long standing relationship with Safe Passage by writing and submitting a District Grant in support of their efforts.
- Support and participate in other local organizations in their efforts to assist the Franklin County Communities
- Maintain Club membership to its current level of 54, with a stretch goal for increasing net membership by two to 56 members.
- Encourage all members to participate in EREY by having at least 75% of the membership participate in EREY. Foundation Goal \$4,500; Polio Plus \$1,000.
- Have at least 2 members attend the District Conference
- Involve our Youth Groups in Rotary presentations and activities. Support RYLA and all of the Act Clubs associated with Farmington Rotary.

I am honored and fortunate to be working with such a great group of people and in such a vibrant and active Club. I look forward to serving to the best of my abilities.

Sincerely,

Charlie Rodrigue
