

TELL YOUR HERO'S STORY | Each flag tells a story.

Thank you for helping us share the story of the person you're honoring through Flags for Heroes. Tell us what makes your Hero special, share a favorite memory, or simply tell us about the difference they have made in your life. Hero Stories received by October 15 will be featured on Goshen Rotary's website, with selected stories also shared on social media.

If you sponsored more than one Hero and would like to share their stories, please complete a separate form for each person.
