2023 Rotary Tree Sponsorship Form

When you sponsor a tree, you will receive a red sign with white lettering. Each tree will be placed on one of the trees erected throughout Veterans Memorial Park and in front of the Library and the Cultural Center in Greenville.

Please use the following 2023 Holiday Tree Sponsorship form to help us print up your tree sign to your liking. Once the trees are erected and your sponsorship has been paid, your tree sign will be attached to one of the trees. You may decorate your tree from that point on.

Please use only nature friendly items such as pinecones, birdseed, popcorn, etc. Please do not use ribbons, garland, plastic or provide glass ornaments. Biodegradable items only.

Thank you again for sponsoring a Tree for this year's event.

Please provide the information to be printed on your Tree Sign.

Contact Name
Phone Number
Address
Email
Information on sign
<input type="checkbox"/> Same as last year
