Hello!

Mutt Strutt, a fun educational day out with “man’s best friend” is back!

In March of 2018, before Covid put the world on pause, we enjoyed a large crowd with more than 100 dogs and their owners and 34 vendors. Anywhere dogs are, fun prevails. At the end of the day, **Mutt Strutt** comes down to pure enthusiasm for dogs and owners.

Please consider participating in this year’s **Mutt Strutt**. The event attracts many animal lovers in the community who may be interested in your services. Part of the Proceeds from this event will benefit the **Ulster County SPCA**. Because UCSPCA receives no government funding, the shelter would not exist without community support.
