Guest Speaker Last Meeting ~ Judge Labuda

Judge Labuda spoke about his involvement in the Hungarian Legal Exchange. This October (28-31), Judges from Hungary will be joining us learn more about our legal system, tour our area, as well as Manhattan. This program is very similar to the Program we participated in a few years ago for the Turkish judges. On Monday, October 28th the local bar association will host a dinner for them which we are all invited to and Tuesday, we will host a dinner for the Judges. Judge Labuda requested host families for the Judges while they are here – please call him if you are interested in hosting.

Club Projects in Progress

Monster Run Classic

We are down to the home stretch for the Monster Run – August 4th, 2019. As many of you already know, this year will not only include our traditional 5 and 10K races, but we will be adding a “race to the top” (of colonial hill) and 5-7 Spartan like obstacles for those who signed up and those who just might want to try. We had a successful meeting prior to our normal Tuesday meeting. The logistics for the race are in place and we are still looking for additional sponsorships. Les shared that we are past the break-even point on the commemorative coins – but there are still many more to sell.

On a great note, the veterans have sold lots of the coins! One additional fundraising opportunity for this race – Bold Gold Media has offered to double your advertising airtime if you or a local business owner you know advertises on the radio – see Les for the details.

The Monticello Rotary Club's Annual Scholarship Golf Tournament

The tournament will be held on Saturday, September 14, 2019 at the Tarry Brae golf course in Fallsburg. Currently, we have 2 committed foursomes and a few hole sponsors. Please start to invite all golfers you know, as well as business owners, who would like to sponsor a hole, the beverage cart, lunch, and or dinner. This is our annual fundraiser that supports our Spring Scholarship program. This past year we gave out scholarships in excess of \$8,000 without touching the principal of our scholarship endowment fund!

Let's shoot for exceeding that this year!

This week's meeting July 23, 2019

We will be having a business meeting this Tuesday with a focus on our finances. There will be three short presentations on our scholarship endowment fund, our non-profit-giving fund, and our operations account. Each of our three accounts have a specific purpose both in how they are funded, and distributions made. Bob will discuss the scholarship endowment, its investments, and future. Les will share where donations were made during the past year and what is available for us to give this year. Barbara and Lori will provide information on our operating account.

Major Club Initiative Projects

<u>Rotary Park</u>	<u>Opioid/Dare</u>	<u>Taste of Sullivan</u>

Pick your passion! We need steering committees of 4 to 5 people to share the responsibility of taking these projects on and bringing them to their fullest Rotary potential. If there is time at this week's meeting, we can work towards building our steering committees, if not, we will work on putting the committees together over the next couple weeks.

- If you haven't paid your dues yet, please pay your dues. Thank you.
