was honored on Broadway); Andy will be our Santa this year; and lots and lots of great people being thankful for so many things. (we are indeed a very happy group and we get pleasure out of giving – and not group gives better than us) (it is really ok to say that we are special – because we really are special)

Program: This was a Club Meeting – and it was packed with great information about all the great things we are doing;

- Doreen will make an attempt to take over some of the work that Sandy was doing – she does need help so there are computer savvy persons who can join her – she would be most grateful;
- Doreen presented the budget to those in attendance – and emailed to the entire club;
- Vinnie thanked all who helped with the fall planting;
- Projects for the year – “ a new functioning sign”; Benches in Braunsdorf Park
- Fellowship has a busy schedule – Growler and Grill; Defiant food drive – 11/14; Holiday Party – 12/10; Valentine’s Party; St. Patrick’s Party; and others to be decided upon and planned
- Fun and Fund Raisers – Growler and Grill; Super Bowl; Kentucky Derby; Pocket Book Bingo ????? (to be explained) and any other ideas will gladly be entertained;
- International – El Salvador well project is in the works – engineering is done – lots of money from grants; anonymous donations; district monies; and the club from the golf outing – more still needed; Ryan and Dorothy return to El Salvador in 2018 (I forgot the date)
- The board is considering corporate membership and other ways to increase membership;
- Younger Generations – we gave lots and lots of school supplies to People to People so the young children may go back to school with dignity; Interact and Rotaract; Midnight Runs; Prom Support; Class Trip Support; Dictionaries; Career Mentoring
- As I said a very important and fact filled meeting.
