**Announcements:** Susan Lynn from the Rockland County Foundation told us that the Rotary Clubs of Rockland are being honor and DG Jim will accept – 3/29 at the Hudson Water Club – I am sure that we will be advised many times about the event; President Elect Mike asked us for interest in committees for next year and he will try to give you your choice - also he is guest bartending on 2/11 for the Hopper House – this is important for him as they will lose a program in which his daughter is involved if monies cannot be raised; There is a READ IN at Evans Park and Lincoln Avenue Schools on 2/16 – they would love to have you read to the children; Kathy Fidlow played BINGO for my wife and won lots of great stuff and since I am writing this on Saturday I can tell that “Handbag (Pocketbook) Bingo” was a great success; Valentine’s Day Brunch is on Sunday 2/18 at Restaurant “X” – space is limited; Ray Coyle is doing our Super Bowl again – so pick a box; Ray Pucci overfilled his car for the Not So Midnight Run; Gene broke his arm and would love a few calls; Neill has been chosen as the “AOH Business Man of the Year; Peter Bellhouse has a Photo Exhibit in Piermont of the new TZB he worked on; Doug and Tracy’s daughter Larissa turns 17 today; Next week the program is a “boots on the ground” Rotary member about the Shelter Box.

**Queen of Hearts:** Five of Hearts was picked – I have no idea by whom – short term memory is going fast.

The **FOUR WAY TEST** of things we think, say, and do: 1. Is it the **TRUTH**? 2. Is it **FAIR** to all concerned? 3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**? 4. Will it be **BENEFICIAL** to all concerned?

Happy Bucks: By Nick – not the newest new kid – yet still a new kid – Lots of Happy Birthday Bucks; No Anniversary Bucks; Lots and Lots more congratulation bucks for Doug; lots of bucks for the sunshine boys Ray and Ray; Ed Grant leaving for the South; Clyde is doing well and on the way to recovery; Gene and the arm and Marty for taking care of him; Kathy and the Bingo People; Nick’s really nice sweater; Mike got the OK to train for a Marathon – trying to keep up with Carissa.

Program: George did a wonderful “fill in” program as his guest could not make it. George talked about his love for model planes – about flying – truthfully it was so interesting and the words so far above my comprehension that I listened and did not take notes. I really know that I learned a lot of stuff and now I am really “comfortable” flying – I think

Four Way Test: Doug
