James Murphy

#### *The Four Way Test*

*Is it the truth?*

*Is it fair to all  
concerned?*

*Will it build good will  
and better friendship?*

*Will it be beneficial to  
all concerned?*

## MEETING OF October 8, 2015 Aqua Terra Restaurant

Pledge: Past President George

Invocation: Ann Taylor

Birthdays: Carol and Elaine Aldrich

Anniversaries: Amy and Neill Acer, Joyce and Rick  
Irizarry

Announcements:

Oct. 22- Bring your items for the homeless to the  
club meeting as part of the Midnight Run of our Rotaract Club from Dominican  
College coordinated by Pay Pucci. Ray sent a list of items via email.

Oct. 27- Annual Joint Meeting of All Rockland Rotary Clubs- Tuesday at Bonefish Grill  
at The Shoppes at Nanuet. The meeting is being organized by the Clarkstown Sunrise  
Rotary Club to start at 6pm. Yes that is closer to sunset so those members may be  
sleepy.

George Westphal is signing up volunteers and giving out assignments for the Soap  
Box Derby. Keep an eye out for his emails.

Nov. 1- District Foundation Luncheon, see Bob Craig  
for details.

Nov. 12- Jim Murphy is being honored as Volunteer of  
the Year by the Rockland Development Council at  
their Philanthropy Day Breakfast 8:30am at Crowne  
Plaza in Suffern. Well-deserved Jim!

Nov 25- Party at the Kohlhausen's house- see Barbara.

Queen of Hearts: We had a winner!!! Alan had the number and Kate  
snagged the Queen of Hearts for a whopping \$75 or so divided almost  
evenly at the table. According to Mike Seidenfrau's calculations it was  
easier to donate \$3 back to the club than figure how to divide it up.

Happy Bucks: Many bucks went in for Jim's Philanthropist Award. Russ  
gave us all the good news that his daughter is now cancer free! Ed's  
grandson Grant (great name) made the University of New Hampshire

Crew Team. Hanns made a generous donation to the Scholarship Foundation. Trouble found Vin and Jean  
again with trips to the hospital and emergency room but both are on the mend. Evelyn says "It's nice to

have a new hip". Just a week after the operation, Evelyn walked right into our club meeting. Jaya told us of her second eye surgery, soon she'll be good as new in both eyes. Jim Murphy thanked Joe Beckerle for his fabulous video for the STEP (schools to end poverty) program. Joe is a professional video producer and donated his time, equipment, and talents. Good to know where to go to when you need top notch video production work.

#### Program: Club Meeting- Committee Reports

History- Ed Grant is looking for anyone with PR Rotary Club historical items. Sadly, he has been unable to locate many records that we did have only a few years back. If you have anything or ideas on where to look, contact Ed.

Fellowship- Barbara has been working her tail off on new ideas with different events. Some will be successful some "a work in progress" but it is great to see so many opportunities for us to get together for fun in addition to serving the world and local community. Whiskey 101 and Comedy night are upcoming events that are on the agenda or planning stages, details to follow. Barbara and Richard are even opening their house to the club for a Nov 25 party.

International Service- Bob Craig outlined our water project in El Salvador with the Rotaract Club and Spring Valley and sponsoring 3 girls in a school for the blind that Jaya and Anjan will be visiting later this year. Bob also explained the anticipated \$3,000 District Grant that we have applied for.

Membership- We recently welcomed our newest member Juan Saldana.

New Generations- Sandy's report included the "Back to School with Dignity" program and Dictionary Project for local third graders led by Lauri. We also gave scholarships to help 4 students who would have otherwise missed the PRHS Senior trip due to money issues. The Club raised \$1,000 and Larry Vergine/Noonan's generously matched with an additional \$1,000. Rotaract's Midnight Run, RLYA, and Youth in Government are also part of our very busy New Generations committee projects.

Bulletin- Mark reports that all new editors are in place and effectively publishing the weekly bulletin using templates designed by Sandy and the ClubRunner emailing system. Those without email continue to receive printed copies by mail.

Paul Harris Fellowship Award- Frank Neeson will be calling a meeting for the annual selection.

Nominations- Bob Simon will hold the annual meeting in November for the club vote in the second week of December per our bylaws.

Program Committee- Ann and Lauri- members have been assigned dates and we have monthly speakers on Rotary Information topics.

Electronic Bulletin Board- to get announcements on the board follow the email link on the club's website or send to: [prrotarybb@gmail.com](mailto:prrotarybb@gmail.com) Our sign is aging, requires a modem (just like the one at the Smithsonian) but is getting the job done. Frank N. reports that a replacement would be about \$12-\$14K. The original, with old monochrome technology was about \$28,000.

Public Relations- Evelyn has proposed paying \$1,000 for 4-5 Our Town news advertisements.

Scholarship Awards- Frank Ripa advises the ceremony will be the second week in June and there is interest in exploring permitting scholarships for those who cannot attend college but need money to pursue a degree online.

Four Way Test: Frank Neeson
