Program: Newly Elected Rockland County Executive Ed Day

Ed updated us on his first 9 weeks in office. His main emphasis is to reduce County expenses by reducing unnecessary positions and making departments more efficient. His Deputy County Executive, Guillermo Rosa, took Mr. Day’s campaign plan and made it a working model that they are currently following.

Ed’s mission is to “get the county well” and reintroduce people to County government as well as hold contract agencies accountable for getting results. He explained, “I will do what I have to do to govern”.

Asked if he will be presenting a budget with realistic revenue projects, unlike past years, Mr. Day stated “it will be straight forward”.

Special thanks to Mr. Day for telling us about his progress and plans since being elected to be our leader at the very top of Rockland County Government.

Thank you Rafael for bringing our County Executive to visit the club.
