Queen of Hearts: Orchestrated by Dr. Edward: The luck of the draw went to Han's, but the 6 of spades drew no luck.

Happy Bucks: Coordinated by Mike Seidenfrau:

Mike laid out a club Challenge to our Club, saying he would generously match any club participation for his Marathon. Many club members tested Mike's wallet with various donations. Thank You Dollars to Dr. Jay & Family who had flown to Grenada to treat patients as is his regular custom in giving back to making the world a better place. "Thanks to Jay & his family"

Program: By our own **Ray** (Investment Whiz) **Coyle:** Who discussed the upcoming gathering of Kentucky Derby Horse Racing Experts on the benefits of this fellowship program to raise funds for the PR. Rotary. His main focus was on the fellowship of the affair and on the entertainment value of even being a lucky guessing winner of the event. This (of course) is all done on the Rotary point system and is not a challenge to the off track betting parlor. Ray discussed the amazing party atmosphere which makes this gathering a must see & participation for all of our Rotary Members. Please contact Ray and watch for future participation information by either @ Rotary Meetings or watch the E-mail's. Please study the future Horse racing charts and bet (with points) with your head, or possibly with some "Rotary Luck". The close your eyes and point scenario always worked the best for me, or roll of the dice might be the ticket to success. Thanks to Ray and his committee for always providing a fun & entertaining atmosphere for all of our events.
