The **FOUR WAY TEST** of things we think, say, and do: 1. Is it the **TRUTH**? 2. Is it **FAIR** to all concerned?  
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**? 4. Will it be **BENEFICIAL** to all concerned?

program on 7/25; George has been ill and is feeling better and Jeff is home looking to be annoyed by all who choose to visit him – just let Angela know you are coming so Jeff can get dressed; the roster is not ready for today as the President was making too many changes and I (Fisher), who had so kindly???(fool that I am) volunteered to do the roster, could not keep up with him and Carol was quick to mention that when it was done by a woman it was on time – so i volunteered her to do it again next time - - and oh yes – the banner has disappeared from the night of the installation – the person who "borrowed" it will you please return it so that we know who we are.

Queen of Hearts: Larry's number was called – not trusting his table to pick the winner, he called on Dorothy to pick the card – now it is time for the loud drum roll – and yes she picked the - drum roll – 10 of clubs – too bad for Larry - - next week it is 320 and Barbara is now ready to win - - she has been waiting for the build-up in the pot.

Happy Bucks: Vinnie (the traveler) did our happy bucks – Get Well to Jeff, George, Angela and glad Raselle is on the mend and finished with the radiation; Good luck for Jim(our new Prez); Great job for Johnny B (our old Prez); Ray Hayes Golf Outing; Fireworks; Mets???; Share Christmas and the Holidays is 5 months away; Boulders; Murphy's Law (beware for what you wish); Shepard for his weight loss; Rafael's Thailand vacation; and lots of Happy Birthday wishes and lots of anniversary wishes and just lots and lots of love for all who were present.

**Program: If you were not with us you missed a GREAT program by our own New President, on his first meeting – he has set the bar high for this year. It was so very interesting that I listened and did not make notes. Jim was with the firm that brokered insurance for the World Trade Center. This was before 9/11. Well the program was about that insurance and the payoff by all the companies. It was fascinating. And it was well beyond my comprehension so if you are interested ask Murphy. Just a really great job.**

**Four Way Test: Tony**

**This is by your humble servant Eddie Fisher**
