The Four Way Test

Is it the truth?

*Is it fair to all
concerned?*

*Will it build good will
and better friendship?*

*Will it be beneficial to
all concerned?*

Meeting of July 2, 2015 Past President George presiding, wearing a clever disguise trying to pass as new President Dorothy.

Pledge- Art Aldrich

Invocation- Past Pres. Carol

Visitors- not today

Birthdays- Rita Helman, Jay enthusiastically led the chorus

Announcements- Kate and Angelo donated tickets to see Buddy Guy in concert tonight, proceeds for the Scholarship Foundation. Past President George was high bidder.

Ed Fisher reported that both Kate and Angelo are dealing with tough times as Kate recovers from surgery 3 weeks ago and Angelo recuperates from a stroke from two days ago at Helen Hayes. Frank Neeson receive a letter from Kate that both appreciate the support of the club and friends and they are determined to dig in and get through this. As Angelo is in physical therapy, check for a good time to visit before driving up to Helen Hayes.

Ed Bouton Golf Tournament- First meeting to be held Monday, 7/13, Louies OTA @ 6:30pm.

Sandy will be honored at the PR Fireworks (6:30 start, Central Ave. Field on Saturday 7/4), with the Al Carpenteri Community Service Award. Certainly well earned!

Queen of Hearts- Marty got the right number but wrong card. Ed forgot the money anyway, but that means a bigger pot for next week's lucky ticket.

Happy Bucks- Frank Ripa took a spill (don't worry he's OK) but his granddaughter agreed when he asked her "does grandpa look like a raccoon" with "yeah kinda!" Ray Pucci got a clean

bill of health so" now I can get my eye fixed" on the 14th. Great news Ray but now you'll know what we really look like. Raj's daughter in law just graduated from the NY School of Music and Institute of Audiological Research. (I hope I got that correctly). Ed Reynolds attended 4 graduations but had time to catch 2 striped bass weighing in at over 30 lbs each. Chris Kormusis is finally taking a vacation after 9 years, to.... Greece. Greece? Talk about timing! Ann Taylor is planning a Ladies Night and Andy is invited. There was some mention of fishnets. I don't think it has anything to do with Ed Reynolds and the striped bass though. See Ann for details. Many happy bucks flowed for the great job George did last year as our fearless leader. Mike Seidenfrau sent his son away to sleep away camp, both father and son are happy campers. Sandy told a story about getting her 3 yr old houseguest to sleep to a round of "awwwww's" from the gang. Get well bucks for Doreen's speedy recovery from hubby and Past Pres. Johnny B.

Program: Art Aldrich and "The Easy Way to Make Music". Not just a talk but a listen as Art's informative program included his electronic piano and nimble fingers. Art broke down songs to Melody, Chords, and Rhythm and showed us exactly how to do it. Not only that but Art handed out a "cheat sheet" on how to make those chords as well as their application to an actual song "Today" written by Randy Sparks and recorded by John Denver. If you attended then you would know why Art said "I play better in French than Italian". Thanks for a fun program Art.

Four Way Test- Evelyn
