Rotary Meeting  
Greenhouse Cafe - Pearl River, New York  
Date: March 28<sup>th</sup> 2013

Ask not what your Rotary club can do for you ask what you can do for your Rotary club. Little big John rang the bell to start today's meeting he told Ed Reynolds to do the pledge of allegiance followed by Jaya Jaya pants on fire with the invocation. Jeffrey advised us that Nyack's 90th anniversary is April 19 see him for all the info he has one full table of Pearl River Rotarians and would like to have another. Mark Junior let us know six months late

that our friend Patricia from Haiti has sent us a thank you card with a lovely picture of the children. Pres. John announced he's working on a CPR course for the club details to follow. Jim Murphy Attended the president Elect training seminar he was impressed and is looking forward to being next year's president and promised everyone that he will get all the information and be on top of everything for his presidency good luck Jim. Mike Seidenfrau from Valley cottage Congers club announced for the second year in a row he is running in a half marathon. He is running to earn money for hospice he is offering a 50-50 ticket for the closet guess as to how long his run will take. Half the proceeds to hospice have to the the winner. Thank you Mike for the wonderful work you do for hospice and the rotary. Ed the fish quietly did his queen of hearts Joe Beckerle picked the king of demons. It was nice to see Roger Ackerman visiting from southern New Jersey hoping and praying and

The **FOUR WAY TEST** of things we think, say, and do: 1. Is it the **TRUTH**? 2. Is it **FAIR** to all concerned? 3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**? 4. Will it be **BENEFICIAL** to all concerned?

hanging onto his boat as hurricane Sandy gave them a shot in the head but Roger is strong and will survive and keep his canoe afloat. Rob Magrino brought Pat Loftus here come the judge from Orangetown as a guest and of course Mike was visiting from Congers Valley cottage club. There were no anniversaries this week but everybody was thinking of Ron Beckerle celebrating March 30 looking up to heaven and having him looking down to us he is missed dearly. Mark Griffith celebrates April 3 and Charlotte I don't even know if she's in the club Madigan also celebrates April 3 has anyone even seen Charlotte. And of course none other than Yours truly your ace bulletin editor Andrew Marchfeld celebrating his birthday on March 31 congratulations and thank you all. It was also announced that career day is April 5 contact Francine Maguire of the PTA 845 620 9606 so far Ed Fisher and Rob Magrino have signed up we need more club members to do this wonderful project. Happy bucks today was done by Nancy Semper Fi Marine Bergerman everybody wished everybody a happy Easter happy Passover and hope for good spring weather to finally be upon us.

Today's program was brought to us by George Westphal. Jean Barlow Has written a child's book about vision. It's a combination picture book story book braille and CD with music it's good from pre-K to nine years old. She got the vision for the book when reading a poem. It teaches tolerance understanding for those that have a problem with vision. It teaches kids to see with their hands and their heart and their eyes the book tells a story of 3 children with

glasses with a patch and also one who was blind. It tells the story that is okay to need glasses it's okay to have a patch over your eyes and it is okay to be blind. She also made reference to the fact that many national restaurant chains today have menus in braille. Thank you Jean for a very wonderful and educational program for our Rotary club. The four-way test was butchered by Jay Helman. Thank you very much for your time this is your ace bulletin editor signing off and wishing me a happy birthday yours in Rotary till next time.
