Rotary is a worldwide organization of more than 1.2 million business, professional, and community men and women leaders. There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary's main objective is service - in the community, in the workplace, and throughout the world.

Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Rotary Foundation of Rotary International is a nonprofit corporation that promotes world understanding through humanitarian service and educational and cultural exchanges supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

PolioPlus, the most ambitious program in Rotary's history, is the volunteer arm of the global partnership dedicated to eradicating polio. For more than 20 years, Rotary has led the private sector in the global effort to rid the world of this crippling disease. Today, PolioPlus and its role in the initiative is recognized worldwide as a model of public-private cooperation in pursuit of a humanitarian goal. In addition to providing financial and volunteer support, Rotary works to urge support from other public and private sector partners. This includes the campaign to End Polio Now, inspired by the extraordinary challenge grants received from the Bill & Melinda Gates Foundation. Rotary's financial contributions to the global polio eradication effort will reach nearly \$1.2 billion by the time the world is certified polio-free

Interact Club of Red Hook, NY

At Red Hook High School

Interact is an international community service organization for youth between the ages of 12 and 18. Each Interact Club is sponsored by a Rotary Club of Rotary International. Like Rotary, Interact Clubs perform community service that has an affect in our local community as well as our international community.

Locally, the Interact Club has sponsored food drives to collect non-perishable food items and paper products for distribution by local food pantries. The students have collected personal care items and assembled personal care kits to be given to homeless people.

Internationally, our Interact Club has been a strong supporter of ShelterBox, USA. They have raised \$8,000 which provided eight Shelter boxes to be used in disaster relief. ShelterBox is the largest international disaster relief organization that provides emergency based shelter, access to clean water and life saving equipment immediately following a disaster any where in the world. There are teams stationed around the world prepared to respond instantly to earthquakes, volcano eruptions, floods, hurricanes, conflicts and other disasters, delivering boxes of aid.

The Interact Club of Red Hook meets weekly at Red Hook High School. New members are always welcome!

Every Time We Had A Conversation With Gerry About Our Project, We Thought, "He Really Gets It!"

Celebrating

1989 - 2023

"We drove past Bayhorse many times and decided to stop in to ask about a building project we had in mind. We wanted a two-car garage with a writing studio upstairs, a deck to take in the view of our pond and to match a smaller building on our property. Gerry was very excited about our project from the very beginning. He had great ideas and was happy to offer suggestions that helped us to realize our vision. Bayhorse took care of everything from permits to leveling the site and putting in the foundation and then built the garage and studio we had dreamed of. Working with Gerry was great and we have already recommended Bayhorse to a few of our neighbors."
