**Rotary**

RadioRotary is an historic venture made possible by the Rotary clubs of the Hudson Valley.

Its weekly goal is to share the service and humanitarian efforts of Rotarians and others who share ways to improve our quality of life.

In lively 30 minute interviews, Rotary's professional radio hosts, Rotarians Sarah O'Connell Claitor and Jonah Triebwasser, talk to people who work at the grassroots level on programs that address such important Rotary issues as poverty, illiteracy, hunger disease, and the environment.

Co-hosts Jonah Triebwasser  
and Sarah O'Connell Claitor  
(bios on [www.radiorotary.org](http://www.radiorotary.org))

Guests' stories about their humanitarian work are uplifting, showing how caring people strive to do good in the world.

Woven throughout the program are the passion and spirit of Rotary, whose optimism is reflected in the belief that our public-spirited endeavors will build goodwill and better friendships in our community, our nation, and our world, thus contributing to peace and understanding.

RadioRotary is one important way for the public to gather information helpful to their daily lives. We also hope that the program will encourage others to consider joining Rotary's efforts to make our world a better place.
