Radio Rotary is an independent nonprofit organization created by Rotarians from the Hudson Valley and supported by many Rotary clubs as well as by commercial sponsors. Now in its 14th year, Radio Rotary has won two New York State Broadcasting Awards for its weekly half-hour radio program that promotes the goals of Rotary International and The Rotary Foundation: "Service above Self" and "Doing Good in the World."

Guests interviewed by seasoned co-hosts, Sarah O'Connell Claitor and Jonah Triebwasser, typically work for programs that address such issues as poverty, education, health, the environment, addiction, and housing. Programs range from covering organizations and events in the Hudson Valley, including some sponsored by Rotary clubs, to the activities of national and international organizations. Woven throughout is the spirit of Rotary, the belief that humanitarian endeavors that build goodwill and better friendships in our community, nation, and world contribute to peace and understanding.

Rotary

RadioRotary is an historic venture made possible by the Rotary clubs of the Hudson Valley.

Its weekly goal is to share the service and humanitarian efforts of Rotarians and others who share ways to improve our quality of life.

In lively 30 minute interviews, Rotary's professional radio hosts, Rotarians Sarah O'Connell Claitor and Jonah Triebwasser, talk to people who work at the grassroots level on programs that address such important Rotary issues as poverty, illiteracy, hunger disease, and the environment.

Co-hosts Jonah Triebwasser
and Sarah O'Connell Claitor
(bios on www.radiorotary.org)

Guests' stories about their humanitarian work are uplifting, showing how caring people strive to do good in the world.

Woven throughout the program are the passion and spirit of Rotary, whose optimism is reflected in the belief that our public-spirited endeavors will build goodwill and better friendships in our community, our nation, and our world, thus contributing to peace and understanding.

RadioRotary is one important way for the public to gather information helpful to their daily lives. We also hope that the program will encourage others to consider joining Rotary's efforts to make our world a better place.
