### Today's Speaker: Tim Lynch / Aquabox

Aquabox's 30<sup>th</sup> Anniversary of service – The Red Hook Rotary Club is an “Aquabox Ambassador” 1 out of 3 people globally don't have access to safe water for drinking, washing, food prep due to either natural, man-made, or endemic water issues and Aquabox equipment is able to provide clean water using the hand pump, no electricity needed ↓

Aquabox is currently working on expanding their reach, distribution efficiency and community engagement and the challenge of a 20% cost increase, mostly due to higher shipping costs.

Emily Houpt also expressed her concern about water, her Kenya village visit helped emphasize this concern – she is very touched about how much Rotary has helped this part of the world.

↩ Agatha has experienced the hard physical work it takes to carry clean water for several miles, several times a day
