President Bud Weaver was our speaker host for today, so he took the opportunity to reflect on his year as President. He set out ten goals that he wanted to accomplish such as increase club membership, encourage contributions to The Rotary Foundation, investigate participation in an International Service project, increase club awareness in our community, etc. For the most part President Bud feels he accomplished his goals. He is especially looking forward to June 27 when President-Elect Tim will be installed! 21 days left, but who is counting, right Bud! Thank you Bud for being President this past year.

President-Elect Tim Lynch mentioned a new initiative by incoming RI President Ian Riseley which is to track volunteer hours of club members. President-Elect Riseley feels it is important for our communities to know how many hours are donated by club members in addition to the wonderful and useful projects we enact.

Next week's speaker host, Rev. Fred Cartier has invited John Lamb, who was a pitcher for the Pittsburgh Pirates in the early 70's. He will be testing our baseball knowledge. He is a delightful person and loves to talk baseball. All members will find him a very interesting and entertaining speaker. Be sure to come to the meeting on June 13<sup>th</sup>.

Members we missed today and hope to see next week: Karen Cadorette, Emily Fox, Rebecca Kent, Susan Simon, Hon. Jonah Triebwasser and Gale Wolfe. Club attendance 70% including make ups

Happy dollars were \$34.00 50/50 recipient was Rob Latimer who passed it along to The Rotary Foundation – thank you Rob!

*Our next meeting: Tuesday, June 13 at 7:30 am - Black Star Social – Speaker Host: Rev. Fred Cartier featuring John Lamb - Greeter: Christine Chale – Sgt at Arms: Bud Weaver*

*Board of Directors meeting will be held on Monday, June 19 at Taste Budds beginning at 8:00 am sharp – Directors please attend as there are important decisions to be made for the new Rotary year.*

**ROTARY:  
MAKING A  
DIFFERENCE**

*Rotary President-elect Ian Riseley has announced his theme for the 2017-2018 year. Rotary: Making A Difference.*

Rev. Fred Cartier is collecting books and magazines for Northern Dutchess Hospital's reading cart. Please bring your magazines and books to Fred at any breakfast meeting. Labels have been made to affix to the magazines indicating they have been donated by the Red Hook Rotary Club.

***Your change can make a change!*** - Bring your filled Rotary coin boxes to any meeting and donate to Rotary International Foundation's Polio Plus campaign. If you need a coin box, please see Bud Weaver.

**Red Hook Harvest and NDP (NORTHERN DUTCHESS PARAMEDICS):**

Red Hook Harvest (our Back Pack Project), with the help of NDP volunteers (and, hopefully, some Red Hook Rotary volunteers), will be at TOPS in RHINEBECK on SATURDAY, JUNE 17 FROM 9-4 PM. The goal is to fill an NDP ambulance or more with the following items: soups, pasta, tomato sauce, canned veggies, beans, powdered milk, peanut butter and jelly, canned or packaged tuna/chicken, rice, cereals, instant oatmeal, canned fruits, granola bars, gift certificates for Hannaford's, TOPS and/or Stewarts. The gift certificates are especially for milk and bread. The objective is to ensure that the kids who benefit from the back pack program during the school year (50+) will still have meals during the summer vacation. Red Hook Harvest will work out the distribution details along with the Red Hook Public Library's Pop-Up Book Mobile. They are looking for Rotary volunteers in two hour slots for that day. (Also, if you are in the process of spring cleaning or your friends are, we are also collecting gently used or new books to distribute to the children as part of the Pop-Up Book Mobile.) Any books can be left on Linda's stoop at 74 Rokeby Road in Red Hook at any time! If you can help, please call Cristy Stelmach at NDP at 845-876-0448 X 135 or her cell phone at 845-206-3837 or let Linda Greenblatt ([lindag@hvi.net](mailto:lindag@hvi.net)) know and she'll pass on the information. You can also drop off of the above items at TOPS on the day of the event. This has been and is an extremely worth-while project for Red Hook Rotary to be involved in!
