January 2017

Dear Red Hook Area Merchants and Businesses:

This year Apple Blossom Day, sponsored by the Red Hook Rotary, is May 13 from 10 AM to 4 PM. Purchasing advertisement space in a brochure assists us in offsetting some of the costs of the day such as entertainment, equipment rentals, portable bathrooms, flyers. Also, your generosity will help Red Hook Rotary continue to support Red Hook High School Scholarships, our Youth Exchange program, Red Hook Little League, Rotary International in its world-wide effort in the eradication of polio, and other worthwhile causes in Red Hook, such as the Red Hook Public Library and Red Hook Harvest's back pack program. This business directory will be available on Apple Blossom Day to highlight your businesses. It will also be available at all major business locations in and around Red Hook for at least six months after this event.

In an effort to promote greater participation, we have maintained our prices for an advertisement:

FULL PAGE AD: \$100.00---7.5" X 4.5"

HALF PAGE AD: \$ 65.00---3.5" X 4.5"

BUSINESS CARD AD: \$35.00---1/4 HORIZONTAL---1.75" X 4.5"

---1/4 VERTICAL-----3.5" X 2.25"

Please submit an ad in print ready PDF form no later than April 11, 2017 at 5 PM. There will be an additional \$25.00 charge for any ads that are not print ready electronic art at correct size. Please send files via email to: lindag@hvi.net and indicate that the ad is for the Red Hook Rotary Apple Blossom Day Business Directory.

Please make checks payable to RED HOOK ROTARY and send to the above address.

For further information and questions, please contact:

Linda Greenblatt at (845) 758-8361 or lindag@hvi.net

David Wright at (845) 750-2254 or dpwright@hvc.rr.com

District 7210 Approved Global Grant* Guatemala Hearing Loss Infant/Child Screening and Management Global Grant

Are you looking for an International Project using D7210's District Designated Funds (DDF) that you helped create with your contribution to the Rotary Foundation?

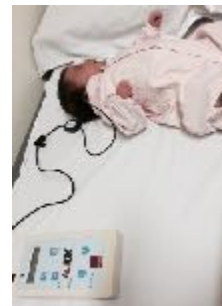

The Pleasant Valley Rotary Club has been diligently working to create a sustainable Global Grant that gives a life changing opportunity to infants and young children with moderate to severe hearing loss in 3 high risk, low resource areas of Guatemala.

Language is learned by imitating sounds we hear. Pre-lingual infants and children under the age of 3 who cannot access sound because of a moderate to severe hearing loss are thought to be deaf and dumb, shunned and relegated to a life of poverty when all they need to reach their potential is access to hearing aids costing less than \$100 each.

The optimal time for developing brains to learn speech is before the age of 3 and before children can raise their hands to show they hear a sound during traditional hearing tests. This Global Grant Proposal (GG#1753024) by several USA and Guatemalan Rotary Clubs and Districts will purchase 3 Otoacoustic Emissions (OAE) which make sounds in the the infants' and young children's ears. If the ear works, a sound will be emitted and recorded. If not, after 2 tries, the infant/ child will be tested by an ABR which can indicate the exact hearing loss in order to fit a child as young as 6 weeks old with hearing aids so the child can learn to listen and speak. The Global Grant will train and hire 2 Guatemalan Audio Techs to administer OAE screening in poor areas and fit 220 hearing aids and train parents, teachers and other caregivers to help these children to learn to listen and speak.

How can you help as an individual D7210 Rotarian or as a Rotary Club or Foundation reach the \$8,000 Pleasant Valley Rotary Club Goal?
