Marking the 54th week of “stay at home” meetings required by the coronavirus outbreak, Jennifer Van Voorhis called the Zoom meeting to order at 8 am. Twelve club members attended. Jen led the meeting off with the pledge of allegiance and the Rotary 4-way test. Fred Cartier offered a blessing to start the meeting.

Pictured by row from top left to bottom right are Linda Greenblatt, Jen, Bud Weaver, Michael Shafer, Susan Ezrati, Jonah Triebwasser, Dave Wright, Carl Dowden and Fred Cartier. Erik Johansen, Chris Chale and Susan Simon were also in attendance.

Jonah’s background in the above photo features some changes in the names of the stations that broadcast Radio Rotary weekly. This week’s program on Magic 95 will feature Sparrows Nest – a group who have expanded their meals for cancer mandate to provide meals to those who are homebound during the pandemic. They serve 600 meals weekly.

Jen reported that there will be an additional Zoom 101 Training on Rotary leadership on March 30, 2021. Call Susan Simon for further details at 917-445-1180. Susan also noted a wonderful program by Historic Red Hook on Tuesday evening call Meet your Neighbors. One will take place on Tuesday evening.

Chris Chale confirmed that the Youth Exchange program is suspended for another year. But she noted that planning for the fall of 2022 will need to start soon. Chris also asked for updates on the Earth Day cleanup in the Town and Villages of Red Hook. The date is April 24, 2021. The club is considering contributing equipment including "pennies" (safety vests for identification), grabbers and gloves. She will contact Laurie Husted for further information.

Jen asked the club if we were interested in participating in a 2nd mask challenge on April 10 in Fishkill. General discussion supported the idea and new potential recipients were identified. Jen will follow up. She also noted that Tony Marmo, our District Governor, would like to attend another meeting with us. We concurred that he should. We are to send him questions we have about District activities and initiatives ahead of his visit.

The Rhinebeck club is sponsoring the sale of T-shirts with the 4-way test on it. Rob will send a link. Jen has reached out to Rob, Tim Lynch and Barry. Jen also noted that there is a zoom based meet your neighbors opportunity circulating. The purpose is to let us know about new people in town when the usual ways to meet them is difficult due to the pandemic. She followed up with news that the UMC Food pantry will be delivering some Easter hams in two weeks. More to come.

The meeting concluded and was adjourned at 8:40 am.
