RadioRotary is an historic venture made possible by Rotary District 7210.

Its weekly goal is to share the service and humanitarian efforts of Rotarians and others who share ways to improve our quality of life.

In lively 30 minute interviews, Rotary's professional radio hosts, Rotarians Sarah O'Connell and Jonah Triebwasser, talk to people who work at the grassroots level on programs that address such important Rotary issues as poverty, illiteracy, hunger, disease, and the environment.

Co-hosts Jonah Triebwasser and Sarah O'Connell (bios on www.radio rotary.org)

Guests' stories of their humanitarian work are uplifting, showing how caring people strive to do good in the world.

Woven throughout the program is the passion and spirit of Rotary, whose optimism is reflected in the belief that our humanitarian endeavors will build goodwill and better friendships in our community, our nation, and our world, thus contributing to peace and understanding.

RadioRotary is one important way for the public to gather information helpful to their daily lives. It is also hoped that the program will encourage other to consider joining humanitarian efforts to make our world a better place.
