Marking the 30th week of “stay at home” meetings required by the coronavirus outbreak, Jen Van Voorhis opened the “zoom” meeting at 8am. Twelve Rotarians attended the meeting. Jen Van Voorhis presided, leading off the meeting with the pledge and the Rotary 4-way test. Reverend Fred Cartier offered the blessing.

Photo screen shot taken by photographer and Rotarian, Fred Cartier. Attendees by row from top left to bottom right are: Jennifer Van Voorhis, Fred Cartier, Linda Greenblatt, Amelia Legare, Bud Weaver, Jonah Triebwasser, Rob Latimer, Carl Dowden, Tim Lynch, Susan Ezrati, Michael Shafer, Dave Wright and Christine Chale.

Jen provided a quick update on the coat drive. We will be picking up the coats at the collection sites on Saturday, October 17, 2020 and delivering to the Red Hook United Methodist Church beginning at 11 am and finishing at 2pm. Racks and hangers will be available at the church where the distribution of coats will be organized.

Linda Greenblatt introduced our guest speaker, Amelia LeGare, from The O=ZONE on Pitcher Lane across from the Greig Farm. Amelia opened O-ZONE on March 1, 2020. She told us that the dual themes of recycling and sustainability inspired her to open the center, which is located just east of Grandiflora on Pitcher Lane. The center includes a zero-waste sustainability center, bulk refill stations (which promote a reduction in packaging by asking customers to bring in their own containers and buy grains, flour and other items from bulk containers) locally produced soap and shampoo bars and other products. They promote composting, sponsor a learning center and have a number of upcoming events at any time and offer c-Pap machine parts replacements. There hours are W – F 11-5, S 10-6, and S 10-4.

We thanked Amelia for all that she does for the community and suggested she consider Rotary membership.

**Next Club meeting: October 20, 2020 at 8am by Zoom. Mike Shafer will offer a member moment. We look forward to sharing his story.**

**Red Hook Rotary Club normally seeks host families for our inbound youth exchange students. During this year due to the Pandemic, the YEX program is suspended. Watch this spot for information on its reappearance. At that time, contact Chris Chale with volunteer families**
