President Bud reminds everyone that attendance is important.
The club is no fun without YOU!

Thanks to Carl Dowden for taking notes for this week’s newsletter.

Our speaker was Ellen Haggerty of the Pleasant Valley, NY Rotary Club. Ellen is the chairperson of Rotarians for Hearing, Rotary Action Group. Rotarians for Hearing encourage Rotarians and others in Rotary who are passionate about helping children and adults with hearing loss in their communities and around the world reach their potential. Ellen mentioned that there are many devices available to assist the hearing impaired beyond ear hearing aids. She demonstrated a wireless speaker system that produced very clear sound. Using an app on your smart phone along with a pair of earbuds Ellen showed members how they could connect with her wireless system. Ellen was instrumental in getting closed captioning on the large screen during Rotary International Convention sessions. She also makes sure that the personal listening devices that are used at the convention sessions for translation in to other languages includes English for hearing impaired attendees. Rotarians for Hearing have submitted a proposal for a Rotary Global Grant to fund an infant hearing loss testing and treatment program in Guatemala. More information about Rotarians for Hearing can be found on their website www.ifrahl.org.

Thank you!
President Bud has shared with us his goals for his year:

1. To encourage the members to recognize the importance of good informative programs and attendance at regular weekly meetings.

2. To have the program chairman report to Jonah their program information 3 weeks before the date of their program so it can be printed in our weekly newsletter.

3. To encourage our members to research an international project for our club to develop and complete.

4. To encourage our members to better understand the need to support Rotary International in ridding the world of Polio.

5. To have three or four members reach their next level of their Paul Harris recognition.

6. To have at least two members attend training sessions for the grant program.

7. To attend our 5th Tuesday evening gathering at the Bread and Bottle and use this opportunity to introduce a guest to our members and club.

8. I hope to end my term as President with a membership of 5 new members who understand the meaning of being a Rotarian.

9. To oversee and develop our youth programs as they continue to grow and develop new ways to show “Service above Self”.

10. To remove the road signs from storage in my garage and install them on the roads to welcome visiting Rotary members to attend our meeting for a makeup and fellowship.
