# Backpack Distribution a Great Success!

By Linda Greenblatt

*Shown in photos in action at the Backpack distribution are Christine Chale, Agatha Bacelar Ariadne Montare, and Interact students Laura and Sarah Holtman.*

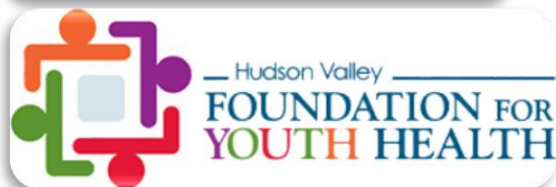

Collaboration between Red Hook Rotary, the Hudson Valley Foundation for Youth Health (HVFYH), the Red Hook Methodist Church, and the Dutchess County Alpha Zeta Chapter of Delta Kappa Gamma (DKG) (an International Society for Key Women Educators) in 2021 began with a \$750 donation from the HVFYH, Clynk monies from Red Hook Rotary and DKG, plus private donations of school supplies from DKG members. It resulted in the distribution of approximately seventy backpacks for students in grades Pre-K to 12. Distribution was through various food pantries in the Red Hook Central School District. Red Hook Rotary and the Red Hook Rotary Foundation also generously donates \$3,000 to Red Hook Harvest annually to alleviate food insecurity for families with children attending the Linden Avenue Middle School and Red Hook High School. Many of the same families express a need for school supplies for their children.

In 2022 with a \$1,000 donation from Red Hook Rotary, a \$1,500 grant from HVFYH, a donation from Deep Roots Construction (Casey Van Voorhis), and Clynk monies from Red Hook Rotary and DKG, Alpha Zeta, over 120 backpacks will be filled to the brim with school supplies (plus a box of tissues, a large tube of toothpaste, and a bamboo recyclable toothbrush!) needed by students to start the 2022-23 academic year. Additionally, Red Hook Rotary has reached out privately to several special needs classroom teachers where there is a need for supplemental school supplies in several local school districts. It should be noted that a donated book has also been placed in each backpack Pre-K-5.

*Our thanks to the following generous donors who made the backpack program possible:*

**Rotary**

RadioRotary is an historic venture made possible by the Rotary clubs of the Hudson Valley.

Its weekly goal is to share the service and humanitarian efforts of Rotarians and others who share ways to improve our quality of life.

In lively 30 minute interviews, Rotary's professional radio hosts, Rotarians Sarah O'Connell Claitor and Jonah Triebwasser, talk to people who work at the grassroots level on programs that address such important Rotary issues as poverty, illiteracy, hunger disease, and the environment.

Co-hosts Jonah Triebwasser  
and Sarah O'Connell Claitor  
(bios on [www.radiorotary.org](http://www.radiorotary.org))

Guests' stories about their humanitarian work are uplifting, showing how caring people strive to do good in the world.

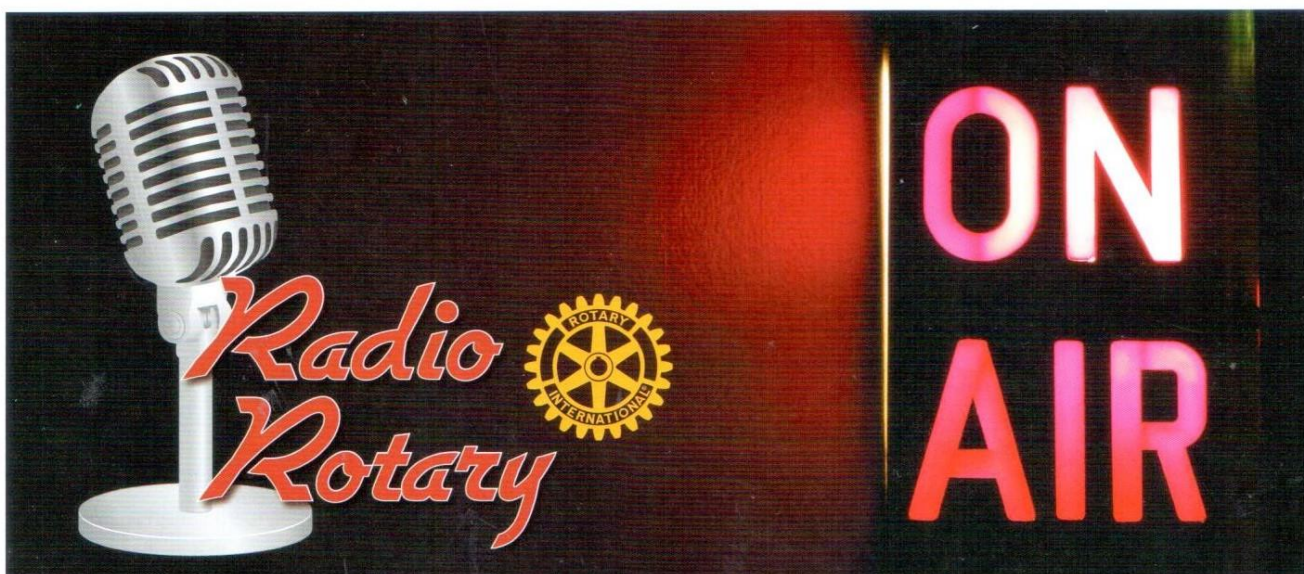

Woven throughout the program are the passion and spirit of Rotary, whose optimism is reflected in the belief that our public-spirited endeavors will build goodwill and better friendships in our community, our nation, and our world, thus contributing to peace and understanding.

RadioRotary is one important way for the public to gather information helpful to their daily lives. We also hope that the program will encourage others to consider joining Rotary's efforts to make our world a better place.

**Rotary**

Radio Rotary is an independent nonprofit organization created by Rotarians from the Hudson Valley and supported by many Rotary clubs as well as by commercial sponsors. Now in its 14th year, Radio Rotary has won two New York State Broadcasting Awards for its weekly half-hour radio program that promotes the goals of Rotary International and The Rotary Foundation: "Service above Self" and "Doing Good in the World."

Guests interviewed by seasoned co-hosts, Sarah O'Connell Claitor and Jonah Triebwasser, typically work for programs that address such issues as poverty, education, health, the environment, addiction, and housing. Programs range from covering organizations and events in the Hudson Valley, including some sponsored by Rotary clubs, to the activities of national and international organizations. Woven throughout is the spirit of Rotary, the belief that humanitarian endeavors that build goodwill and better friendships in our community, nation, and world contribute to peace and understanding.
