Bike Collection

May is National Bike Month.

We're collecting used bikes of all sizes and shapes in reasonably good condition — plus bike locks and car racks (but no bike helmets).

We'll repair the bikes, and in June, we will distribute the renovated bikes and gear to people in our community in need.

Sat. May 18th & Sun. May 19th: 9am to 1pm

Bring your used bikes and gear to the parking lot of:

**RHINEBECK KITCHEN AND BATH
6783 Spring Brook Ave. (Rte 9)**
