

## Weekend Snack Attack 2022-2023 Delivery Instructions and Directions

**THANK YOU FOR VOLUNTEERING FOR THE WEEKEND SNACK ATTACK!**

**YOU NO LONGER NEED A MASK AT THE SCHOOLS!**

Here's the plan:

1. Decide between yourselves whether you want to do it before or after Rotary lunch. Please complete this before 2:30. Please note, the bins are large so if you have a small car, you may both need to drive.

2. Pick up bins at:

All Souls Church  
81 Washington Ave.  
Suffern, NY

Park in the driveway on the OLIVER ST side of the church. With any luck, that back door will be open and you can walk right in. Turn left, go through the large rec room, and look for the church kitchen door, second to last door on the left.

If it's locked, go into the "Offices" entrance. Ask Connie to show you to the CHURCH kitchen, which is on the same floor as the office, behind the office.

The plastic bins will be there, and the bags of apples and clementines will be in the church fridge. The bins will be labelled MONTEBELLO and CONNOR. Connor gets 35 packages in two bins plus 3 bags of apples and 2 bags of clementines. Montebello gets 40 packages in 2 bins plus 3 bags of apples and 2 bags of clementines.

From the church kitchen, keep walking toward the back of the church and out the door, which will take you to the driveway you parked your car in. There's even a ramp to wheel the bins down.

3. One Rotarian goes to Connor and one to Montebello:

RP Connor School  
13 Cypress Rd.  
Suffern, NY

Montebello School  
50 Montebello Rd.  
Suffern, NY

**At Connor**, pull up to the school just past the main door to the K and 1st Grade door pictured below, and text your contact, **Denise Kane at 845-729-3607**, telling her you are there from Suffern Rotary so she can come and answer the door. Her room is immediately to the right so it's a quick drop off. **You no longer need a mask Pick up the empty bins from the previous drop-off and return them to the church, where you got the full ones.**

At Montebello, drive up to the front door and go in, then turn left for the Main Office. Your contact is **Mariela Gutenberger 845-494-5931**, and her office is an interior office through the main office. **You no longer need a mask! Pick up the empty bins from the previous drop-off and return them to the church, where you got the full ones.**

4. Take empty bins from both schools and return them to All Souls.
