

## Beyond a Club, A Rotary Family

Weekly meetings provide for friendship and fellowship.

Club projects and community services keep members and families involved.

Exchange ideas, take action... together.

## What we do:

We are committed to providing impactful work in our town and worldwide.

12K scholarships awarded annually to local HS students.

Raised 100k in 4 years to support a pet shelter.

A cherished tradition: Distributed nearly 5,000 dictionaries to elementary age children over 15 years.

From road cleanup days to Rotary International projects, we do good and have fun.

## Walkill East Rotary Starts with You:

Rotary brings together leaders of all ages who live and work here in Orange County — people like you who want to make a difference.

We provide you with the resources and opportunities to improve your community and create change in the world.

## Shared purpose. Working together.

Rotary's 1.2 million members combine their resources and connect across the world to move communities forward with clean water, health initiatives, education, and so much more.
