25 years of five-star banking

The Bank of Millbrook is serious about being the best place possible for your money. And, for one hundred consecutive quarters, Bauer Financial has ranked us a five-star banking institution.

Bauer has a reputation as the most trustworthy ratings institution there is. They don't get paid for their ratings, and they don't consult for the banks they rate.

And, while it's nice to be recognized for how we do business, what we value most is your trust, and that is what we are working hard to keep for the next hundred quarters and beyond.

Millbrook Rotary Club

The Rotary Club of Millbrook is part of a worldwide community — “People of Action.” Rotary is where neighbors, friends, and problem-solvers share ideas and TAKE ACTION to create positive change. Worldwide, 1.2 million members and 35,000+ clubs invest in their communities, locally and globally. The Millbrook Club has 34 active members, all of whom are dedicated to Rotary’s good works.

Each day, our members pour their passion and knowledge into completing projects such as this Business Directory. With everyone being impacted by the COVID-19 pandemic, Millbrook Rotary Club continues to support people and businesses, locally and beyond.

This year, ALL net proceeds from this Business Directory will be contributed to local needs, in and around our region. Every year, our club donates funds for scholarships and school supplies to those in need for Millbrook and Webutuck school districts. Undoubtedly, we know the need will be much greater this year because of the economic impact due to the pandemic on businesses, schools, and employment. We also continue to donate to the local food banks, addiction prevention and rehab, winter coat drives, and other local causes. Please see page 42 for a complete list of 2019-20 donations made possible from the monies raised by this project.

We ask you to support the local businesses who have invested in this Directory for they are our friends and our neighbors. By supporting these businesses and organizations, you become part of the economic and emotional recovery in all of the communities which this Directory serves.

Yours in the Spirit of Rotary,

Millbrook Educational Foundation Endowing Our Children's Future

Established in 2001, the Millbrook Educational Foundation was created to establish stronger ties between Millbrook Central School and our community. The foundation raises funding for projects that provide for the complete education of our children.

With your help more than \$1,100,000 has been donated to Millbrook's public schools through the Foundation. Your contributions have purchased SmartBoards, Project Lead the Way materials, computers, musical instruments, recording equipment, sports equipment, programming in the arts and more....We invite you to be a part of Millbrook's dynamic educational progress.

Please consider donating today and pledging your support.
Together we can endow our children's futures.

Millbrook Garden Club

The Millbrook Garden Club supports many community projects, both financially and through the volunteer work of our members. From planting spring bulbs in our village to educating the public about the harmful effects of synthetic chemicals on lawns, from raising funds to support projects to opening their gardens for visitors, members strive to make our community a better place to live. Recent projects include:

Habitat for Pollinators at Sharon Audubon (Featured on the front cover)

MGC recently celebrated their 50-year association with the Audubon center in Sharon, CT. In 2016 the Millbrook Garden Club undertook the conversion of its Herb Garden to a Pollinator Habitat at Sharon Audubon which they had maintained since 1966.

Flower Planters at Cardinal Hayes School for Children

The MGC Horticulture Committee planted and maintains over 30 planters at Cardinal Hayes throughout the growing season, creating a terrific learning experience for the children and staff.

Bulbs Planted at The Green Briar Adult Home

MGC members planted 1,000 bulbs at the Green Briar Adult Home located in Millbrook, bringing the joy and beauty of a garden to those unable to travel.

Millbrook Early Childhood Education Center (MECEC)

With funds from the Civic and Scholarship Committee, MGC purchased and donated three tulip trees to MECEC. These trees will help to bring shade to the playground.

Every year, millions of families around the world are made homeless as a result of natural disasters and humanitarian crises. For years, Millbrook Rotary has provided annual support to ShelterBox, a nongovernmental organization that responds immediately to these crises by providing materials that bring hope, independence and a sense of normalcy to families recovering in the aftermath of disaster.

ShelterBox fills a gap in aid provision. While food and medicine are delivered by other agencies, ShelterBox provides assistance in terms of proper shelter and essential equipment to help survivors through the first few days, weeks and months as they rebuild their lives.

ShelterBox aid is tailored to each disaster and typically includes tented shelter, blankets and groundsheet, solar lights, cooking utensils, water purification equipment, a tool kit, mosquito nets and children's activity packs.

ShelterBoxes provide people with more than just shelter. Tents also contain items like cooking sets, solar lights, blankets, and activity sets for children.

ShelterBoxes contain family-sized tents specially designed to withstand extreme weather, including winds up to 70 mph.

Re: School Supplies

Dear Brian, Elizabeth and Rotary Members,

The school year is off to another successful and happy start here at Webutuck! A large part of that success is directly the result of the generosity and hard work of your organization, as well as your efforts to coordinate the purchase and delivery of the supplies to the school. The supply closet was filled with the items students need to start the school year off right! Prior to the start of school, the school social workers were able to distribute over 80 bags and backpacks filled with school supplies to some of our neediest students. We were able to meet the needs of students from Pre-Kindergarten through 12th grade! In fact, we are distributing supplies to students as the need arises these first few days of school. I am so grateful for the ongoing support you have given to our students and your desire to see that all students start the year on a level playing field. Your kindness and generosity helps all of our students arrive the first day feeling confident and competent. It was such a pleasure to work with Elizabeth again on this meaningful and important project.

Please extend my thanks to the entire Rotary membership for their generous gift to our students and families. I hope that they know the direct and positive impact they make with this project. On behalf of Carrie Caldiero, Tara Hart, me and the entire Webutuck community, I send my heartfelt thanks and gratitude!

Sincerely,

Janice R. McSpiritt, LCSW
School Social Worker
