Smart Investing Starts with Strong Relationships

Every account at Bank of Millbrook Trust and Investment Services starts with getting to know you – your circumstances, your concerns, your hopes and your goals. All learned by sitting face-to-face with the person who both develops and manages your investment approach.

That's something as Dutchess County's only locally managed Trust and Investment Services department, we are uniquely suited to do. Let's get to know each other.

Established in 2001, the Millbrook Educational Foundation was created to establish stronger ties between Millbrook Central School and our community. The foundation raises funding for projects that provide for the complete education of our children.

With your help more than \$1,100,000 has been donated to Millbrook's public schools through the Foundation. Your contributions have purchased SmartBoards, Project Lead the Way materials, computers, musical instruments, recording equipment, sports equipment, programming in the arts and more.... We invite you to be a part of Millbrook's dynamic educational progress.

Please consider donating today and pledging your support.
Together we can endow our children's futures.

Located in Millbrook, New York, our pasture raised angus is grass fed and non-GMO grain finished. Their diet consists of our own silage grown on Walbridge Farm's 900 acres plus the additional 700 acres we farm. We do not spray our fields with pesticides or insecticides, our soils and water are tested yearly, our crops are rotated in order to care for the nutrients in the soils and our cattle are moved throughout our fields in order to preserve our pastures.

It is of utmost importance to us, as committed stewards of the land, to have a well maintained and healthy farm at all times.
