

MILLBROOK COMMUNITY FRIDGE

01

WHAT IS A COMMUNITY FRIDGE?

A community fridge is a refrigerator located in a public space and is a type of mutual aid project that enables food to be shared within a community.

02

HOW DOES IT WORK?

The fridge is for anyone who needs fresh food. Take what you need with no questions asked and no paperwork, any time the library is open!

03

WHO PROVIDES THE FOOD?

Food is primarily donated by individual, food rescue organizations and local businesses. The Community Fridge relies on the support of our community to voluntarily help each other and share resources.

HOW CAN I GET HELP?

04

DONATE

Add a few extra items to your regular grocery list. Have extra fruit or vegetables from your garden? Donate them! Love to cook? Make a few ready-to-eat meals of favorite dinner recipes.
