PWR Foundation Notes

PWR Foundation Month updates from Foundation President Jesse Nix.

Point West Rotary Club Bequest Society

Bequests are gifts that are made that occur upon a donor's death. A charitable bequest to our own Foundation can be made with one or two sentences in your will or living trust that leave to PWRC Foundation a specific item, an amount of money, a gift contingent upon certain events or a percentage of your estate. Charitable bequests are popular because they offer flexibility and have few tax consequences. Bequests to non-profits can also be a way to memorialize someone's legacy to a charity that means something to you. If you plan to include the Foundation in your plans, please use our legal name of Point West Rotary Club Foundation & our federal tax ID which is 94-3337623. Let us know you have made this bequest so you can join the ever growing PWRC Bequest Society.

soliciting coaches for those athletes. Dan Baker introduced GRC grant recipients from

Starting Point. Jesse Nix, PWR Foundation board President Announced that May is the PWR Foundation Month and wants all of us to help support our foundation. Jesse Nix, Mark

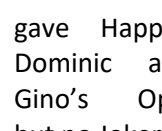

Albrecht, Dave Garese, Ann Osborne, and Tim Maliepaard rang the bell. PP Bruce

Levering introduced our speaker, Scott Klier from Broadway Sacramento/

Music Circus. Mike Garcia, Bill Dunk, John Price and Dominic

Porrino gave Happy Bucks. Dominic also won Gino's Opportunity but no Joker.

Tour of Business

Our last tour of business for this term will be 6/14 at the Sacramento Sheriffs Training Academy in Carmichael. This promises to be a very interesting tour as we'll not only be learning about the basic training program of the trainees, but a canine demonstration is on the calendar for us, and they are also trying to include a helicopter demonstration by the Sheriff's Air Ops group. The tour will start at 9 AM and can accommodate 20 participants. Beth Schatz will be taking signups soon.

Eagles Golf

California Eagles Golf has started on Tuesdays at the Haggin Oaks Golf Complex. We need volunteers to assist in coaching the athletes participating in the program. We meet each Tuesday at 5:15 PM to assist these athletes doing a variety of golf activities, from putting to playing the course. Contact Bea Maurer or Russ Fujii if you are interested.
