## Meet This Week at Leatherby's

Roger wants us well represented at this week's "away" meeting. The speaker, Dr. W.E. Chatogo, Astronomer should be quite interesting speaking on Unidentified Aerial Phenomena. DR. Chatogo is an Astronomer also with a degree in Anthropology. She has a book to be released in the Fall.

## Roger's Demotion Party

Sign up today to help sunset Roger and our 39th term on June 15 at Brian Kraft's Oak Hill Preserve!
