SS Point West Voyage Log

President Roger cruised the SS Point West to Leatherby's Family Creamery this week for the 43rd meeting of

Point West Rotary's 39th Term. We proceeded with voting for

new members of the Point West Rotary Foundation Board. The pledge of allegiance was led by Greg Garcia.

The sound team led us with "Purple People Eater." Roger Gaskin led the Four Way Test.

The thought of the day was presented by Kathi Berger. Roger Gaskin promoted

President Roger's demotion party on June 15th at Brian Kraft's Oak Hill Preserve in Lone.

Our TOB to the Sheriff's Academy will be next Friday just after our meeting.

Beth Schatz needs people to confirm indication to go to at the TOB. Jay Boatwright is wanting

school supplies or money donations to McKinney Vento program for students in

the SJUSD living in transition. Thirsty Thursdays continue organized by Desiree Wilson. Last week the crew went to 50/50 Brewing in Truckee to collect the Brewer's Cup for presentation to the 2024 winner. About 14 people mad the drive. Dominic

Porrino reminds us of the new on-line store for Brewfest shirts open until June 19. President

Roger rang the bell. Bob Tilly introduced our speaker, Winona Chatgo speaking on Unidentified aerial phenomenon. She recounted her own alien abduction. But it turns out the speaker committee arraigned this "gotcha" for the club. The election for the

Foundation Board were announced. Dave Black and John Caselli were

reelected and Greg Garcia, Mary Lyn Kagan, Christine Cahill-Reams were

newly elected to the PWR Foundation Board for the 2024-25 term. Dorthie Wright and Dominic Porrino

gave Happy Bucks this meeting. Sandy Thompson won Gino's Opportunity but could not pull the Joker.

PWR Foundation Board

The new Foundation Board members are Garcia, Mary Lyn Kagan, Christine Cahill-Reams with David Black and John Caselli being reelected. Thank you to all of the candidates that were interested in serving on the Board.
