Walter Helm

Walter joined the Rancho Cordova Rotary club in 1998 and was Newsletter editor. In 1999 he saw the light and joined Point West. He has been very active working on many committees including GRC for 3 terms, Speech contest, Brewfest and Trek Against Trafficking. He chaired reading program for Jonas Salk for 7th & 8th graders with over 80 volunteers. He has been a past PWR Board member. Walter is a mainstay at any of the PWR work and fundraising events. This includes assisting with all but two Brewfests since 1994, Festa di Vino, golf tournaments, Salvation Army Holiday bell ringing and food distribution, and Paint the Town and Rebuilding Together projects some of which he chaired. His home has been the sight for numerous committee meetings and multiple fireside chats. He has been a mentor at the Youth Leadership Conference. Involved in RI projects, he provided monthly Polio plus updates for the club. In 2003, he circumnavigated Australia on Motorcycle for Polio Plus. He has been involved with RYE. He has provided unique opportunities in our fundraising like providing lunch at Grand Canyon on 2 occasions for Festa. It is no wonder that Walter was Rotarian of the Year 2011-12. He continues to want to serve.

Paul Adams

I joined Point West Rotary in 1998 during Tom Knox's reign, after aging out of 20-30. I grew-up in a Rotary household, my father was an active Rotarian and president of the Pittsburg, CA club. Upon joining the club I devoted a great deal of my time to Jona Salk and the HOST Tutoring program. I chaired the Brewfest in 2011 with Buzz Wiesenfeld, which was a days after 9/11. I was a board member during Mark Copeland's term, served 2-years on the Foundation board and in my second term as a member of the GRC. In addition to Brew Fest, I supported Festa Di Vino for many years until the event was discontinued. I'm also a Paul Harris Fellow + 2. I welcome the opportunity to return to the board and continue to serve the best damn rotary club on the planet.

Tom Engwer

No submission at time of publication.
Editor's notes: Tom joined Point West Rotary on 6 November 2019. He has served on committees chaired events including Festa di Vino. He has been sergeant-at-arms.

DeWana Ljung

Point West Rotary members, I feel honored to be nominated for a position on the PWR Board. Over my years in Rotary, I have helped on numerous committees.

Early on, I chaired the Red to Blue Badge process and served on the board. Many years were spent helping on the Festa di Vino fundraiser as decorations chair. Chairing the Festa di Vino was a great achievement but only with the help of my great Co-Chair, Bea Maurer, and a ton of club support. I have also served on our "Fun" committee, chairing and hosting several Cocktail parties for several years. I have helped with the demolition parties, Brew Fest and other PWR events. It is during these times that the true meaning of being a member of PWR is felt the most.

My position as Director of Retail for WEAVE for the past eight years has been very rewarding and at times very demanding. This role has empowered me, not only in making business decisions for WEAVE, but also in my personal growth. As I am planning to cut back in my role at WEAVE and ultimately retire, the opportunity to serve our club and community on the Board of Point West Rotary is very exciting. Thank you for your consideration. DeWana

Dan Hall

I was a member of Interact in high school and joined Point West Rotary in 2001 during Larry Challis' term as Club President. I have previously served on the Club Board, as well as several terms on the Foundation Board, twice serving as Foundation Chair. I have been active in most Club volunteer and fundraising events, including taking a turn as chair of the California Brewers Festival. One of my long-term roles over the years has been organizing Club volunteer support for the American River Parkway. I greatly enjoy the camaraderie of Rotary and am very proud of the positive social impact that Point West Rotary has made over the years, both locally and globally. Dan Hall
