FUNDRAISING HELP

I know many of us are complacent when it comes to fundraising. We have started the hiking adventures which turned out rather well, that led to a chili cook off idea with Lee Holmes (not even a member yet).

Fundraising is a vital element for our continued success. We enjoy spreading funds to very worthy local and international charities. The Grant Review Committee does a fabulous job of vetting various grant requests, following up with the funds, and accounting for all.

Lindsay Burch is currently recruiting a chairperson for the Fundraising Committee. If you are interested in being on the committee, or chairing it, please contact Lindsay:

The PolioPlus Society

As a Rotarian and supporter of Polio Eradication, Rotary's Number One Priority, I wish to participate in the Countdown to History as a member of the

PolioPlus Society of District 5180

I hereby commit to making an annual donation to the PolioPlus Fund of The Rotary Foundation as follows (select one):

☐ \$100 USD per year (minimum amount to become a society member)

☐ A contribution of \$_____ per year to PolioPlus (more than \$100)

I pledge to help Rotary make history by continuing to contribute the above amount each year until the World Health Organization certifies that polio has been fully eradicated because...

Until the world is polio-free, every child is at risk.

Society members will receive a PolioPlus Society membership pin, certificate and an End Polio Now bracelet... and your contribution qualifies for Paul Harris Recognition Points credit.

To make your tax-deductible donation go to <https://www.rotary.org/donate> or print your smart phone camera to the QR Code on this page. You can choose a one-time donation of \$100 or more, or a recurring donation in the amount and frequency of your choice (We suggest \$10/month as the "easy way" to become a PolioPlus Society member)

Point West Rotary Meeting Recap

President MaryLyn opened the meeting with Paul Cuhna and the Pledge, Louis Armstrong with "What a Wonderful World", Bea Maurer and the Four Way Test, and Greg Garcia's thought of the day, Be thankful for what we have. Bea introduced her grandson.

Brian Moore stated there are 2 seats left for the Foundation Dinner stating we need a great turnout for Desiree. Lori Curry re-minded us of Putting for Polio 10/22. Con-tact Dominic if you plan to attend and/or participate NOW. Bring your own putter.

Our speaker was fantastic. Heidi Parris works for NASA. (She graduated from Casa Roble High School.) She works for the Inter-national Space Station. She gave us so many interesting facts: The Space Station is about the size of a football field including the end zones. The ISS performs many experiments because some things just work differently in space w Zero gravity. For instance, plants needing water need a way to get the water to disburse, not just sit on the top of the plant. There is no down. She said an inter-esting item is astronauts can only spend 6 months on the ISS as they develop bone density loss. You should have listened!

October 15 meeting is at the DOUBLETREE. No ZOOM.

Happy Bucks were given by Mary Lyn for the rain, Karen McKlaflin for wrapping up Hamilton (A great performance), and Dorthie for being able to see Hamilton.

Rotarians at Work

Last meeting we had a coffee clutch via zoom for those in attendance. One group experienced an inter-esting difference. Right as it started with one of our members getting exercise, a man was spotted on a roof. This man was asking for help and the police. Our Rotarian left the group at this time. Turns out the man on the roof did need help. Police, fire, and ambulance responded. The funniest thing is the residents thanked our Rotarian. They had heard noises since 2am. They were grateful the police were summoned.
