Leadership Conference

The 9th annual Partners in Leadership conference is coming back this year to the Dante Club. The event has been postponed and is now scheduled for Friday 3/11/2022. Larry Chalis and Sandy Thompson are leading the organization of this fabulous event. If you are interested in helping out especially to be a mentor for one of the students, please let Sandy or Larry know. We always get amazing feedback about the value this conference brings to the Encina kids and even the adults that attend.

Fireside Chats

The annual fireside chats are coming to a Point West Rotarians home near you. PE John Price is organizing these meetings and this year we will have an option to attend a Zoom meeting if people are interested. This is your chance to voice your opinions about our club. Bring your ideas, comments or complaints to share with everyone to further promote and strengthen our club. Bring any ideas for fundraisers, community project or charities for us to support. Help continue to make PWR the best damn Rotary club on the planet!!
