## Point West Rotary Foundation

The Point West Rotary Foundation was established in 1998 with the mission *“to manage the funds entrusted to it in a lawful manner and to make available charitable funding in perpetuity for qualifies beneficiaries selected by the Point West Rotary Club”*. **Dan Hall**, Foundation President for 2021-22, presented the updated ideas and goals that the foundation has established for the next few years.

- There will be only one major fundraising event for PWR, the California Brewers Festival. We Plan to enhance the Brewfest to increase the generated revenue.

- The total fundraising goal will be \$250,000 annually with the fundraising year running March to March.

- We want to enhance our events and the club in general by expanding and updating our social media presence. We plan to hire a social media consultant on an ongoing basis to work on all fundraising events and other club activities such as new member recruiting.

- Establish a sponsorship committee/group to work all year on every event coordinating with both the club and the foundation.

These goals are ambitious but fully attainable applying the energy that rotarians are known for.

Somewhere over the rainbow, skies are blue, and the dreams that you dare to dream really do come true.

We celebrate the legacy of Martin Luther King yearly in January. He left us with inspiration to promote social justice. That goal is precisely what we as Rotarians strive to promote. In his speech on 8/28/1963 he said “I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character.” This remarkable speech on the steps of the Lincoln Memorial in front of more than 200,000 people highlighted Dr. King’s vision of the United States.
